

Because no one should ever go hungry...

The DMARC Food Pantry Network exists because we believe no person should ever worry about whether or not they will eat today. Having access to food is a basic human need. Regardless of where you live in Greater Des Moines, chances are you know someone who needs help feeding their family.

Visiting a food pantry for the first time?

- No one is ever turned away! There are no income or residency requirements and no appointments necessary.
- Please bring some form of photo ID. You will not be turned away if you can't provide ID.

We do a brief intake process each visit to improve our services and show impact. Your information stays confidential.
